MEMORANDUM FOR RECORD

SUBJECT: Service Member Joyce M. Griggs; Griggs v. Ameriquet, 1:06-CV-3147-CAP

1. This letter is written pursuant to the Service Members Civil Relief Act, 50 USC, 501 et seq. requesting a stay by the service member.
2. Major Griggs' current military duty materially affects her ability to appear and litigate this action at the present time. In the past six months she has traveled extensively to Baghdad, Iraq; Ft. Benning, GA; Ft. Irwin, California; National Ground Intelligence Center in Charlottesville, Virginia and will leave again on July 10, 2007 for Aberdeen Proving Ground in Maryland. Major Griggs' duties are critical and essential to the Army and her unit's mission. She is the lead Officer for the development of training to counter the IED threat which is the number one killer of troops in Iraq.
3. Due to Major Griggs' involvement in the training at Aberdeen Proving Ground, I am not able to provide a date of when the service member will be available to appear. At the time of this letter military leave is not authorized.
4. Enclosed is a copy of her mobilization orders for your information.
